

## Littleton ESD Vision

- Leaders in Learning, Caring and Growing.

## Littleton ESD Mission

- The mission of the Littleton Elementary School District is to create high quality, comprehensive, and success-oriented learning, and leading opportunities for everyone in our schools.

## Professional Learning Communities

Leaders in Learning,  
Caring and Growing

## Littleton ESD Values

- **Trust** means being reliable, doing what is expected, keeping confidences and using information in a helpful way.
- **Respect** means demonstrating regard for people, their beliefs, rights, traditions and property.
- **Integrity** means being truthful, keeping commitments and acting ethically.
- **Collaboration** means staff, students and community working together toward our Vision.
- **Dedication** means commitment to ourselves and to others for our mutual success.

## Littleton ESD Collective Commitments

- We commit to use the districts' adopted curriculum to provide quality instruction to all students.
- We commit to use and analyze assessment data to drive instruction to meet the needs of all students.
- We commit to communicate and involve families in their child's educational success.
- We commit to build and maintain community partnerships to impact the educational process.
- We commit to provide a safe environment that addresses the social and emotional well-being of all students.
- We commit to work collaboratively to support continuous improvement.
- We commit to high expectations for our students, staff and community.
