

# COOP Preschool

**What is C.O.O.P.?** Child Oriented Occupational Program

**What makes it unique?** We have 4 adult staff that work with our COOP teachers (high school students enrolled in our Early Childhood Education courses, Levels 2 and 3) to develop developmentally appropriate lessons aligned to Arizona's Early Learning Standards. We provide hands-on learning opportunities throughout the day to foster Kindergarten readiness and a love of learning. Because of the high number of COOP teachers and adult staff working in the preschool, we are able to provide most of our instruction in small groups with ratios as low as one teacher to every 2-3 students.

**Who is it for?** TVHS COOP is open to all community members

**What are the age ranges?** We have two rooms, one for preschool (1-3 years old) and one for PreK students (3-5 years old)

**Does my toddler need to be potty trained?** Your toddler does not need to be potty trained to be in the Preschool room, however, they must be potty trained to be in the Pre-K room.

**Are you licensed?** Yes, we are licensed by the Arizona Department of Health Services to serve one to five-year-old children. The COOP is licensed by the AZ Department of Health Services, located at 150 N. 18th Avenue Suite 400 Phoenix, AZ 85007. They may be reached at (602) 364-2539. **Hours:** We are open Tuesday thru Friday from 6:15 am - 4:30 pm and follow the SMUSD school calendar.
