For the purpose of claiming Arizona's tax credit for contributions made or certain fees paid to a public school, the Arizona Department of Revenue now requires taxpayers report the school's County Code, Type Code, and District Code & Site Number (CTDS) number on Form 322, which is included with the Arizona income tax return. The CTDS is a nine (9) digit number that the Arizona Department of Education uses to identify Arizona public and charter schools. CTDS EEF: 07-823-9001 MIT CTDS: 07-823-9001

Return this form to the school with your non-refundable check made payable to "Maricopa Institute of Technology" by April 15th, 2023. If you prefer to mail your check to the school, the envelope must be postmarked on or before April 15th, 2023.

**Receipts will be mailed at the end of January and as needed from February through April. Payment must accompany this form in order to be considered a tax credit donation.**

**Thank you for supporting our school!**
